

Adopt-a-Float Newsletter

Welcome to the Adopt-a-Float program! We are looking forward to having you join us as we watch the floats on their journey through the ocean.

Date: November 27, 2023

Number of Floats Deployed:

142 GO-BGC Floats; 133 working; 111 adopted
278 SOCCOM Floats; 138 working; 203 adopted

Floats of the Month!

Happy Holidays all - With the austral summer here, there are some floats that were under ice that are now showing up! Three floats showed up over the last week including one float (21838/7900825- **My Buddy Eric**) that was deployed in the shallow waters of the Ross Sea. The other two floats are (12739/5905994 - **Infinity and Galaxy**; and 21485/2903454 - **Poseidon's Trident**) We are getting caught up on all the cycles that they collected while they were under the ice.

We are now accepting [sticker ideas](#) for the 2024 Adopt-a-Float sticker. These stickers are very popular and I'd love to give them out at a meeting in late February (in New Orleans).

Image showing where the three floats have popped up this week.

Update

We are accepting applications for the 2024 EARTH GO-BGC educator workshop (www.mbari.org/earth). Scroll down the webpage to find the link to the 2024 workshop and come and join us in Seattle this summer.
